

## Paper Bag Book Report

You will be completing a paper bag book report as an assessment for **Old Yeller**.

### **On the Outside....**

For this book report, you must consider each the following: **setting, plot, main character, and theme.**

**There are four panels on a paper bag. You will be expected to dedicate one panel of your brown paper bag to each of these four elements.**

1. For the setting, you must include the time and place (if there is more than one time/place include those too). As well, you must include a picture or create a small, detailed illustration to add to this panel that illustrates one of the main settings in the novel.
2. You must summarize the plot in a few sentences – keep it short and sweet.
3. Tell about the main character on the third panel. Do not focus on the physical and the obvious. Tell how this character changed throughout the story. What happened to him/her to cause this change etc.? You can include the obvious information (family background, physical traits etc.). However, don't include **ONLY** this information. **As well**, list the other major/minor characters in the story **by name** on this panel.

4.The final panel must be about the theme of the book.  
What is the theme(s) and what are your feelings about the message in this novel?

•The information for each panel must be **neatly written/typed on a small piece of paper and glued (not taped) to the bag**. You won't need any more than a paragraph or so for each panel.

- **Be sure to include the title of the novel, author and your name clearly on the outside of the bag**

### **On the Inside...**

You must include **8 or more** items **in** your bag that have some meaning to the story. Be imaginative...Think outside of the box. You can use toys, modeling clay, or anything else that may represent something important from the story. **Make sure each item is unique and include a one sentence description for each one on a sheet of paper.**
